

Newington Human Services needs your help this summer!!!! SAVE THE DATES!!!!

We will be collecting new and gently used fall
back-to-school clothing & footwear
& ***new back-packs/school supplies***
for eligible Newington households.

Items for pre-school through high school age may be brought to Human Services weekdays (8:30-4:30), during **July and August**. **Evening drop offs** are also available **July 11th, July 25th, and August 8th until 6:30pm**. We ask that all clothing items be clean, not in need of repair and current styles. We would greatly appreciate items on hangers and having them sorted by size and gender, whenever possible.

New packages of socks are also needed.

DROP OFF: Human Services, Town Hall, 131 Cedar Street

*** We ask that back packs & school supplies be brought in by Friday, August 5th, to give us time to distribute before school begins.**

For more information and/or to volunteer with this project, please contact Karen Futoma, Human Services Coordinator via Email kfutoma@newingtonct.gov or 860-665-8596.
