Downloadable eBooks for the Kindle

If you have any questions, please call the library's Information Desk at (860) 665-8700.

The library currently has approximately 3,000 downloadable eBook titles. This collection contains a variety of fiction and nonfiction books for children, teens and adults. You may have up to four downloadable titles checked out on your library card at one time and you may have up to four downloadable items on hold at one time.

To download a library eBook to a Kindle you need:

- an Amazon account
- a registered Kindle device with a WiFi connection (**not 3G**) and a computer OR a registered Kindle device, the Kindle USB cord and a computer
- a valid library card from a participating library.

Access the Downloadable Catalog

- Go to the library's website, www.newingtonct.gov/library.
- Click on Download Media.

- Click on OverDrive Downloadable Books. The Connect Downloadable Catalog will open.

Select and Checkout an eBook

- Login using your library card.
 - Click on Login.
 - On the next screen, select the library that matches the library on your library card.

- Type in the library card number shown on the back of your library card (with no spaces) and click on Sign In.
- Click on 'Downloadable Catalog Home'.
- Locate an eBook that you would like to read. You can do this by:
 - Browsing through all eBooks (click on eBooks – Newly Available) OR
 - Searching for a book with the Advanced Search function. On the Advanced Search screen, enter the author and/or title or subject you wish to find, and be sure to set Format = "Kindle Book". Click on Search.

- Before you checkout the book, make sure it is in Kindle format (see screenshot below). If the eBook is already checked out to another patron, you may put it on hold, otherwise, click Add to Cart. If you place a hold on a book, you will receive an e-mail when the book is available for you to checkout. You will have 48 hours to check out the book before it is returned to the collection or released to the next patron waiting for the book.

- If you added a book to your Cart, click on Proceed to Checkout on the next screen.
- On the checkout screen, select the lending period (either 7, 14, or 21 days). Click on 'Confirm Checkout'. The book is now checked out on your library card.

Transfer the eBook to Your Kindle

- Click on 'Get For Kindle'.
- You will be redirected to Amazon's website.
- Click on 'Get library book'.
- If you are not logged into your Amazon account, you will be prompted to enter your e-mail address and Amazon password then click on 'Sign in using our secure server'.
- Select the "Deliver To" device (if the book was marked 'Kindle Devices Via USB Only' or if you do not have a Wi-Fi connection on your Kindle, select 'Transfer Via Computer' as the 'Deliver To' device). Click on 'Get Library Book'.
- If you do not have a WiFi connection or if the book was marked 'Kindle Devices Via USB Only'
 - Connect your Kindle to a computer with the Kindle's USB cord.
 - Select the 'Deliver To' device and click 'Continue'.
 - Click 'Save' on the File Download popup window.
 - On the Save As popup window navigate to the Kindle documents folder and select it. Click 'Save'.
 - Disconnect your Kindle from your computer.
 - The book will be on your Kindle.
- If you have an active WiFi connection
 - When you see 'Thanks ...', the library eBook will be delivered to your Kindle. Turn on your Kindle, connect to WiFi if you aren't currently connected. If you don't see the book on your Kindle, 'Sync and Check for Items' and the book will download to the Kindle.

Return eBook Early

Downloadable eBooks will automatically be returned to the library's collection at the end of the lending period. You may return eBooks early if you wish to remove the title from your account or to make titles available for other patrons to checkout. To return a Kindle downloadable eBook early:

- Go to www.amazon.com.
- Log into your Amazon account.
- Click on 'Your Digital Items', then click on 'Manage Your Kindle'.
- Locate the book in the list.
- Click on 'Actions' for that book.
- Click on 'Return this Book'.
- Click 'Yes'. It will be removed from our library downloadable account and the book will become available for another patron to checkout.
- If you wish to delete the title from your Amazon Kindle Library, click 'Actions' again, then 'Delete from Library'.
- The book will remain on your Kindle, but you will not be able to open it. If you wish to remove it from your Kindle, delete it just as you would delete any book.
