

Celebrate National Library Week, April 13-19

Love
your
library

Books & a Whole Lot More

PROGRAMS FOR ALL AGES - Interactive activities, learning opportunities and cultural events for toddlers through seniors.

THE COLLECTION - Your favorite authors and books on almost any subject in print, audio and electronic formats.

DOWNLOADABLE MEDIA - Books and magazines from our website to your iPad, Kindle, NOOK, or eReader.

DVD's & BLU-RAYS - Popular and classic films for young and old, documentaries and instructional films.

CD's - A great selection of music and audiobooks for everyone.

MUSEUM PASSES - The library has free or reduced admission passes to more than 25 New England attractions.

FREE COMPUTER ACCESS & WIRELESS INTERNET - Public internet access computers and wireless internet connections.

ELECTRONIC RESOURCES - Financial & business, health and consumer databases. Professional and popular journals, magazines and newspapers.

GENEALOGY RESEARCH - Research your family tree through an online database that provides information for the beginner and advanced genealogists.

LEARN A FOREIGN LANGUAGE - Mango Languages, accessible through the library website, teaches pronunciation, vocabulary and conversational foreign languages in both basic and advanced learning modules.

TEST PREPARATION - Study for the GED, SAT, GRE and more. Take practice tests online at home or in the library.

EMPLOYMENT RESOURCES - Create a resume, search for jobs, complete online job applications, file for unemployment, explore educational opportunities.

BOOK DISCUSSIONS - Read a title selected by the group, then meet with others to share a conversation about the title.

NOTARY SERVICE - Free and available to the public.

SCANNER - Use the photocopier to scan documents and photos to a flash drive.

FAX - A self-service machine that uses debit or credit cards.

KILL-A-WATT - The Kill-A-Watt allows you to connect your appliances and assess how efficient they are.
