

eBook Boot Camp

Thursday, December 8, 6:00 p.m.

Curious about eReaders?

Want to know how to borrow library eBooks for the Kindle, Nook, other eReader or mobile device?

Come to the library's *eBook Boot Camp* to learn the basics about eBooks and eReaders and to discover the library's collection of free, downloadable eBooks.

Library staff will introduce you to the library's collection of downloadable eBooks and show you how to reserve and check out library eBooks from home and transfer them to your eReader. The library's lendable eReaders will be on display so you can try them out to help decide which one best fits your needs.

If you're thinking about buying an eReader this holiday season or would like to learn about the library's downloadable eBooks, stop by and get informed!

An additional eReader event will be held on February 28, 2012 with representatives from *Best Buy* and *Barnes & Noble*.
