

Titles Purchased Exclusively for Newington Residents

Most of the eBooks and audiobooks in the OverDrive downloadable collection are shared among patrons of all libraries participating in Library Connection's OverDrive service. Because there are so many patrons sharing the same collection of books, sometimes the list of people waiting to download a book is very long. In order to reduce the waiting time on popular books for Newington residents, Lucy Robbins Welles Library joined OverDrive's Advantage program. This means that extra copies of the following titles have been purchased for exclusive use by Newington residents. To access these extra copies in the downloadable catalog, log in with your Newington library card number before searching for the titles.
