

NEWINGTON PARKS AND RECREATION PRESENTS...

Sign and Play

For children ages newborn to 3 years

Sign and Play classes will empower parents, caregivers and children to communicate clearly with one another and experience the profound bonding that results. This is accomplished by learning and practicing signs together in a playful setting, learning how to make signing a part of daily life, and using the materials you will receive to further reinforce classroom learning by providing daily practice during and after the class is complete. Each family is provided with a class handbook which includes lyrics to songs, descriptions on how to execute each sign and ideas for using the learned signs at home. *Come sign with me!*

Instructor: Sue Freese
Location: Mortensen Community Center Arts & Crafts Room
Fee: \$130 includes family handbook, DVD and all materials. Fee remains the same for non-residents. \$60 for each additional sibling registered for same class.
