GUIDE TO RESIDENTAL ACCESSORY STRUCTURES IN NEWINGTON

Accessory Buildings in the Town of Newington can be defined as but are not limited to; detached garages, sheds, screen houses, pools, or detached (free standing) decks. Section 4.5 of the Newington Zoning Regulations explains the yard requirements for these structures as follows.

All Accessory buildings in the Town of Newington must follow the requirements outlined in the table below unless they meet ALL of the requirements below. If they do not meet all the requirements stated, they must follow the table from Section 4.5.

1. The structure is in the rear half of the yard
2. The structure is less than 15' in maximum height
3. The structure is behind the principle (main) building.

***See diagram 1**

If your proposed project meets all the criteria listed above, the side and rear yard setbacks may be reduced to 5FT. As stated above, if it does not- it must comply with Section 4.5 (Table A) below. ***See diagram 2**

Any and all of the proposed work described herein requires a Building and/or Zoning permit from the Planning and Building Office at Town Hall. The requirements listed above pertain only to the Zoning Regulations. The State of CT Building Code, FEMA Floodplain Regulations and Newington Inland Wetland and Watercourses Regulations may also apply to your project. For more information, please contact the Planning and Building Office at 860-665-8580.
