

CONSTRUCTION NOTICE

Sanitary Sewer Repair

GREEN AVENUE

Beginning Thursday, **September 19th*** the Metropolitan District (MDC) and their contractor, National Water Main Cleaning Co. (NWMCC) along with their subcontractor, True Blue, will be working in your neighborhood on Green Avenue, at the Intersection of Standard Street, to perform repairs and improvements to the sewer system.

Work hours are approximately **7:30AM-5:30PM**, Monday-Friday. It is expected to take approximately **2** days to complete this work. The road will be closed to through traffic in this area during construction hours.

Access to all properties will be accommodated.

A map of the work area is provided on the back of this notice.

All MDC and contracted personnel should be properly identified and present ID upon request.

****In the event of inclement weather, work times and schedules are subject to change.***

If you have any questions, please contact:

Chris Coyle, CDM Smith Field Inspector at (860) 416-2629

After hours: Please call the MDC's Command Center at (860) 278-7850, ext 3600

Thank you for your patience and cooperation.
