On Tuesday, June 17, 2025, I facilitated a public tree hearing at 5:15 p.m. in the Helen Nelson Room at Newington Town Hall. Approximately 14 individuals were in attendance. As part of the hearing, I entered into the record a document outlining the project plans for Garfield Street, which was provided by Town Engineer Chris Zibbideo. The meeting lasted approximately thirty minutes. After reviewing the public comments presented during the hearing and conducting further evaluation of the concerns raised, I have decided to approve the removal of the posted trees in order to proceed with the sidewalk project.

Respectfully submitted,

Thomas J. Lapierre, Tree Warden
