

To whom it may concern,

Please be advised that Chestnut Petroleum Distributors would like to make the following Exxon Mobil image upgrades on the site at 295 Main St Newington CT.

Below is the scope of work for the image upgrades (renderings attached):

1. Refacing of existing ID sign to include LED digits- same size as existing, no structural changes.

Please let me know what, if anything, is needed to expedite and obtain said permit for this work.

Sincerely,

A handwritten signature in black ink, appearing to read "Kara Kennedy", with a long, sweeping flourish extending to the right.

Kara Kennedy
