**Subject: Trees at Indian Hill Country Club**

---

The Town of Newington owns the property at the Indian Hill Country Club and leases it to the club management. At the last Open Space Committee meeting the members discussed the removal of trees at the Indian Hill Country Club earlier this year, and asked me to go out and determine exactly which trees had been cut.

I have not had the chance to do that, but I will do so before the meeting on September 11.
