Swim Lesson Registration Guidelines

- CANCELLATIONS: Swim lessons will be cancelled when there is lightning and/or thunder in the area. Please call the pool activity line at 860-665-8766 if the weather is inclement.
- LEVELS: Please register your child for the appropriate level as listed below. If your child is registered for an inappropriate level, the child may be moved into a more suitable level (depending on availability) at our discretion, or removed from the program.
- MINIMUM AGES: While we understand that ages and abilities vary greatly, we must enforce the minimum age requirements for our programs. Please see level descriptions below for more information.

DEADLINES: Swim lesson registration must be received by the Parks and Recreation office no later than Fridays at 4:00 p.m. for sessions beginning the following Monday. Registrations received after Fridays at 4:00 p.m. will be considered late, and participants will not be permitted to attend lessons until the day AFTER registration is received.

REGISTRATION FOR MULTIPLE SESSIONS: If you want to register your child for more than one session, you must register that child for the same level until the child passes that level. For example, if your child is registered for Level 2, you may not sign up for a Level 3 class until your child is notified by the instructor that he/she has passed Level 2. Failure to abide by this policy will result in the cancellation of your child’s enrollment.

CHANGING LEVELS: If you register your child for multiple sessions of the same level and the child passes the level, you may move your child into an available class in the next level, stay in the same level, or receive a household credit. This must be done in person at the Parks and Recreation office, and you must bring your child’s certificate showing they have passed.
