

April 8, 2014

Dear Newington Resident and Taxpayer:

On behalf of the Town of Newington, we present the Town Council's Adopted Fiscal Year 2014-2015 budget for the General Government operations and the Board of Education. This budget is no different than past budgets presented to you in that we are faced with increased costs with limited revenue growth.

	FY 2013-14	FY 2014-15	\$ Change	% Change
Total Town Budget	\$106,058,696	\$110,083,292	\$4,024,596	3.8%

**Budget Overview**

The adverse theme of limited grand list growth and no state aid growth places most of the burden on maintaining town services and educational priorities strictly on an increase in the tax rate. As illustrated below, the town's tax base grew less than 1%. Although, this is a small growth, it is significant in that it is the first growth in the grand list in three years.

NET PP	\$134,889,100	\$136,146,200	0.9%	\$1,257,100

### **General Government Expenditures**

The adopted Town Government Operations budget for FY 2014-2015 is \$32,325,862, an increase of \$1,535,345, or 5% from FY 2013–2014. Of the 5% increase, approximately \$1 million is for medical cost and pension increases. This leaves only approximately \$500,000 for all other increased costs; including utilities, fuel, wage increases, and maintaining of programs.

### **Board of Education**

The adopted budget includes an increase in the Board of Education budget of \$1,942,601 or 2.9%.

### **Metropolitan District Commission (MDC)**

The Town of Newington is a member of a regional authority that provides water and waste water (sewer) service to the Town of Newington and seven other regional entities. The MDC funding for FY2014-15 is \$3,216,800, an increase of \$114,550 or 3.7%. In comparison to the 5% increase for FY 2013-14, this funding is a slight decrease in the growth of this budget by approximately \$35,000.

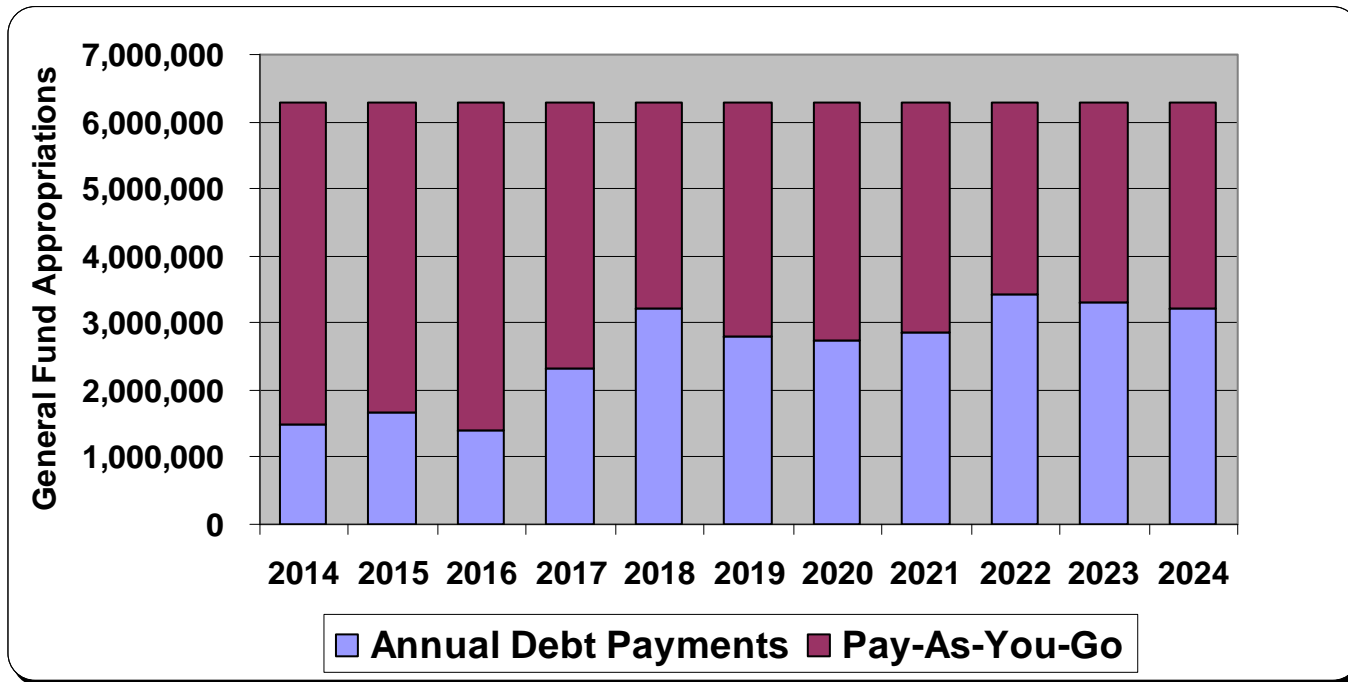

### **Debt Service**

Last fiscal year the town had a significant decrease in debt service. This was due to a one time financing of our long – term debt with favorable borrowing interest rates. This one-year reduction was approximately \$760,000 in savings. The Town must now revert to its regular debt service schedule and the increase in that service for next year is approximately \$201,175 or 13.6%. In perspective, Newington’s total debt service is less than 2% of its operating budget which is one of the lowest debt ratios in the State.

### **Capital Improvement Program (CIP)**

In fiscal year 2007–2008 the town instituted an aggressive Pay-As-You-Go program for capital replacement and construction. Since then, the town has been able to fund its capital projects and equipment consistently over the last six years. This year the Pay-As-You-Go funding in the Capital Improvement Program \$4,731,328 or a 5.1% increase.

The chart below illustrates that future borrowing will not increase the budget. In addition to the Pay-As-You-Go projects, Newington will be working on a long-term plan for the Town Hall and Mortensen Community Center renovations. It must be emphasized that the additional debt service has already been incorporated into our budget from previous years and will not increase the tax rate.

### Revenues

As in previous fiscal years the adopted 2014–2015 budget contains little in the way of non-tax revenue increases. Although the state budget is projected to contain a surplus this year, no new municipal aid has been proposed in the Governor's budget. The following chart represents the major revenue sources:

Type	\$	%
Property Tax	87,006,952	79.0
Non-Tax Revenue	20,676,340	18.8
General Fund Balance	2,400,000	2.2
<b>TOTAL</b>	<b>110,083,292</b>	<b>100.0</b>

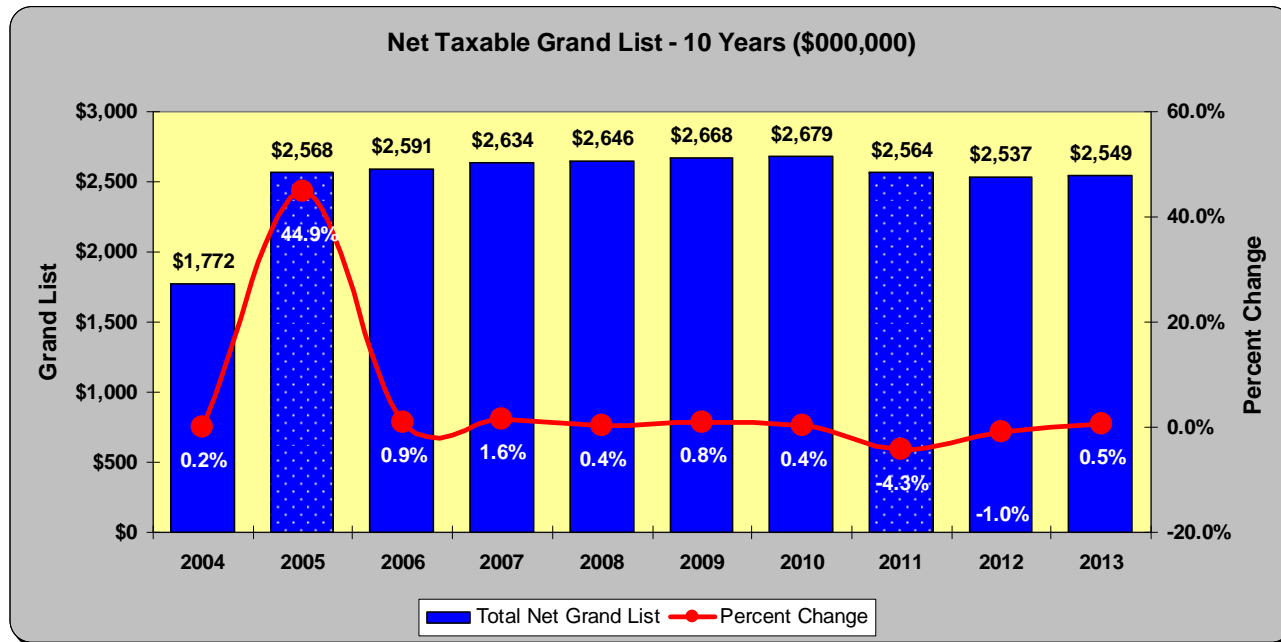

### Fund Balance

The fiscal year 2014–2015 budget applies \$2,400,000 from the general fund balance, an increase of \$150,000 from fiscal year 2013–2014. The increase is derived from a declared surplus from the Board of Education which assists with financing required to move the John Wallace STEM Academy project forward. This will leave an estimated unassigned fund balance as of June 30, 2014 of approximately \$13.7 million, or approximately 12.4% of the fiscal year 2014–2015 total appropriations. This level is consistent with sound fiscal policy and is within the criteria established by the credit rating industry.

## Grand List

October 1, 2013 grand list for Newington shows a net increase of \$11,786,555 or a 1/2% increase. Although this is a very slight increase, it is the first increase since before the Town underwent revaluation three years ago. There are some moderate size housing projects under construction as well as commercial projects that may start construction this fiscal year. If the Town of Newington can sustain even modest growth of 1% over the next few years it would increase non-tax revenue from \$400,000–\$700,000 per year. This may not be enough to balance the budget without a tax increase but the increases would certainly be less in the upcoming years. This would help counterbalance proposed tax increases in the next few fiscal years.

## **Real Estate**

The net real estate grand list increased from \$2,188,702,373 to \$2,197,055,035, an increase of \$8,352,662 or 0.4%. This is the first increase in the real estate grand list since October 1, 2010. The increase is due to significant new construction that occurred in Newington. The changes to real estate sector of the grand list are illustrated in the table below:

<b>Summary of Significant Real Estate Changes to 2013 Grand List</b>			
<b><u>2013 Grand List Increases</u></b>		<b><u>2013 Grand List Decreases</u></b>

Decreases	<u>-\$3,294,351</u>		
Net Change	\$8,352,662		

## **Motor Vehicles**

The 2013 motor vehicle component of the grand list increased by approximately \$2.2 million dollars, which is 1% over the 2012 grand list. The motor vehicle grand list for 2013 is \$216,032,070.

## **Personal Property**

The personal property component of the 2013 grand list experienced an increase of \$1,257,100, or 0.9% above the 2012 grand list on a net basis. There were 648 accounts that increased by \$19,679,510 while 671 accounts decreased by \$13,600,982. Additional manufacturing exemptions offset the increase in asset value for this grand list.

This list reflects the gross assessment for the properties. Some accounts receive manufacturing exemptions which reduce the actual tax paid.

**Mill Rate**

Effective with the October 1, 2013 taxable Grand List, the adopted mill rate for FY 2014-2015 is 34.77 mills, an increase of 1.14 mills or 3.4%. The chart below shows the Town’s history of gradual mill rate increases over the past ten years:

**Conclusion**

My appreciation goes to all who assisted in the preparation of the budget proposal, including staff, boards, commissions and other interested parties. Particular thanks goes to Town Manager John Salomone, Finance Director Ann Harter, Deputy Finance Director Lisa Rydecki and Executive Assistant Jaime Trevethan, whose tireless work made this budget possible.

Very truly yours,

Stephen Woods  
Mayor

## GENERAL FUND REVENUES

## EXPLANATION OF GENERAL FUND REVENUES

### 5000 Taxes

The current levy for FY 2014-15 is based on the Net Grand List (prior to the Board of Assessment Appeals review) of all taxable property located in the Town as of October 1, 2013. The amount to be raised by taxes of \$87,006,952 is equal to budget appropriations for Town Government and Board of Education operations less estimated receipts from non-tax sources and appropriated fund balance. The mill rate (taxes per \$1000 of assessed value) is then calculated using the October 1, 2013 Net Grand List of \$2,548,042,597, less estimated legal exemptions and deductions of \$10,000,000, and an estimated tax collection rate of 98.6%. The mill rate for FY 2014-15 is 34.77, an increase of 1.14 mills from the FY 2013-14 mill rate of 33.63, or 3.4%. The calculation of the mill rate is presented on page 1 and explained on page xii.

Supplemental motor vehicle taxes are based on vehicles expected to be registered in Newington during the interim period of October 2, 2013 to August 1, 2014; i.e., after the Grand List of October 1, 2013 is set. This account is up slightly by \$17,000 as it is anticipated that the Town will experience the same vehicle purchases with the current supplemental list. Property categorized as prorated during the interim period will be reflected in the October 1, 2013 Grand List and included in the current levy for the next fiscal year. Prorated real estate taxes are paid on new construction receiving a Certificate of Occupancy after October 1, 2013. It is estimated \$50,000 will be received from this source in FY 2014-15. As with prorated motor vehicles, these properties will be fully reflected in the October 1, 2013 Grand List.

Prior year taxes are the anticipated collections of delinquent taxes due from previous fiscal years. Revenue from delinquent taxes is expected to remain the same as FY 2013-14 estimates. Interest payments and liens collected are related to the amount of prior year taxes collected. The related interest rate is charged on outstanding balances at 18% per year in accordance with State Statutes.

### 5100 Payments in Lieu of Taxes (PILOTs)

PILOTs are designed to partially replace tax revenues that were once received or would have been received if the property were taxable. Examples of State-administered PILOTs include general hospitals in Newington, State property in Newington, and tax exemptions for low-income elderly and disabled residents.

The reimbursement for State-owned real property is in the amount of \$639,581. The reimbursement for State-owned real property is declared by Statute to be 45% of the 2012 Grand List exempt value of the real estate.

The private hospital reimbursement is calculated at 77% by Statute but contains an incremental reimbursement factor of 77% which is applied to the 2012 Grand List exempt value of real estate.

Overall the Town expects to receive approximately \$168,983 less revenue in FY 2014-15 in total for this category.

Estimates of these State grants and others utilize Governor Malloy's proposed FY 2014-15 budget.

#### 5200 Assessments

Assessments replace tax revenues that would have been received if the property were taxable similar to PILOTs in the previous category (#5100) but this income source is derived from the property owner rather than the State of Connecticut. The Assessor for the Town has determined that the New Meadow Elderly Housing, Inc. entity is exempt from property tax in accordance with Connecticut state statutes. This property is leased from the Town to New Meadow to operate a 32 unit subsidized elderly residential housing complex. On July 8, 2008 The Town and New Meadow signed a PILOT (payment in lieu of tax) agreement whereby New Meadow contracted to make an annual payment of 4% of gross rental income. This PILOT is the product of that contractual calculation.

#### 5300 Licenses and Permits

The largest item under the Licenses and Permits category is building permits. Building permit income is estimated at \$280,000, a slight decrease from the estimated level in FY 2013-14 due to the lack of large projects to be inspected in FY 2013-14.

#### 5400 Rentals

This category reflects revenues the Town receives from rental payment for use of its property including the Town Hall, the Senior and Disabled Center, the Newington High School cell tower land lease agreement and the Indian Hill Country Club. Income at IHCC of \$98,872 reflects the PILOT on the property.

#### 5500 Investment Income

The Interest Earnings category reflects income earned from temporary investments made when the Town's cash in a given period exceeds the Town's immediate disbursement needs. Due to actions of the Federal Reserve, short term interest rates are forecast not to increase causing the estimate for FY 2014-15 to increase slightly over the FY 2013-14 revised estimate of \$45,000.

#### 5600 Fines

This revenue category includes revenues received from parking fines and false alarms. Income from these sources is estimated at \$40,000.

#### 5700 Charges for Services

This revenue category includes fees and charges for various services as outlined in the Newington Code of Ordinances. It includes items such as library overdue fines, Dial-a-Ride trip fees, fees collected for the family counseling program, Police Department fees, application fees to various Town commissions and recording fees of the Town Clerk function.

The largest revenue source in this category are the Town Clerk fees estimated at \$475,000 which include fees collected for land conveyances, deeds recorded, and vital statistics. Estimates for conveyance tax revenue, the main source for this account, are based on the \$2.50 per thousand rate. This source is \$19,000 higher than FY 2013-14 estimates due to Public Act 13-247, which provided for a substantial recording fee increase when filing a segregated class of documents (MERS) on the land records. All other revenues in this category remain constant with FY 2013-14 levels.

#### 5800 Refunds and Reimbursements

The Refunds-Town line item includes miscellaneous reimbursements for Town expenditures. Refunds-Schools includes miscellaneous reimbursements for school expenditures. Due to the vendor change for recyclables, it is anticipated the Town will receive a rebate for 3,000 tons of recyclables at a rate of \$22.50 per ton.

#### 5900 Sale of Town Property

This category includes proceeds from the sale of Town-owned property. No increase in revenue is estimated in this account in FY 2014-15.

#### 6000 State Aid

As previously noted, estimates of grants from the State were obtained from the Governor's 2014-15 proposed budget. The State Aid category includes all General Fund revenues from the State that are not included in the State PILOT category (#5100). This category shows an overall decrease of \$266,004 from FY 2013-14 estimated levels.

Significant fluctuations include the elimination of the Municipal Revenue Sharing Grant a decrease of approximately \$200,000 from FY 2013-14 estimated levels. The entire amount of the Town Aid Road Grant reverts to being reflected in the Special Revenue as was the practice in previous years to be used for costs associated with capital road projects. This loss is partially offset by the inclusion of a new source of municipal aid, Grants for Municipal Projects in the amount of \$863,254. This grant compensates towns for labor and material costs associated with road maintenance including the plowing of snow, the sanding of icy pavements, installation and maintenance of traffic signs.

The Education Cost Sharing (ECS) Grant is based on a State distribution formula. This grant increases by \$58,842 to a level of \$13,028,321 as provided in the Governor's budget.

In FY 2014-15, \$400,000 is expected from School Building Grant revenues for projects such as the Newington High School Code Compliance Project, Newington High School Music Wing and Martin Kellogg S.T.E.M. Academy.

#### 6100 Federal Aid

Revenue to the Town from the federal government is estimated to decrease by approximately \$301,349. This is due to one-time revenue sources for storm related expense reimbursements.

6200 Miscellaneous

This category includes revenues that are not easily classified in the above revenue categories. The other major accounts in this category are application fees from the police recruit class that offset the Town's recruitment costs and closeout of prior year purchase orders. In FY 2014-15, \$18,500 is estimated to be received from these two accounts.

6300 Donations

Income for United Way (\$1,333) is shown here.

7000 Transfers from Other Funds

This category represents transfers of funds to the General Fund from Other Funds. The transfer from Public Building Fund (\$215,336) represents the balance left after completion of J.Wallace Roof Replacement project. The transfer from the Cemetery Special Revenue Fund (\$115,722) offsets operating expenses reflected in Cemeteries program #832. Transfer from Cemetery Trust Funds reflects interest earnings of \$70 from several cemetery trust funds. Transfer from Hubbard Book Fund represents interest earnings of \$30 in a Library Trust Fund and offsets the Library appropriation #730. This category reflects a decrease of \$102,020 due to balances from capital projects accounts which are less than FY 2013-14.
