

CONSTRUCTION NOTICE

Maintenance Work on Stonehedge Sanitary Pump Station

The Metropolitan District (MDC) will be performing maintenance and temporary bypass pumping activities at the Stonehedge pump station on Occhialini Ct. in Newington. This work will be performed on **6/17/21** beginning at **10pm** and is anticipated to take 2-3 hours to complete. This maintenance is required for continual future operation of the pump station.

The maintenance work will require the use of trucks at the pump station and at the collection system in Church Street. Care will be taken to minimize noise during this time period.

There will be no disruption in services.

Construction schedules are subject to change based on weather or unforeseen construction related activities. All MDC Staff, Contractors and Consultants should be properly identified and present ID upon request.
