Call 860-665-8720 for more details.
From the Library Director — Lisa Masten

September is National Library Card Sign-up Month. A Newington Library card is free, easy to obtain, and can be used at any public library in the state! You just need to fill out an application and show a valid form of identification that shows you live in Newington. Each time you use your library card you are saving money by not having to purchase the item or pay for the service yourself. In addition to being able to check out books and audiovisual materials from the library, your library card gives you access to library technology and programming; permits you to reserve museum passes online; and allows you to download books, audiobooks, movies and music to your devices to enjoy from wherever you are. The added bonus is that the Newington Library is part of a consortium of 31 area libraries, giving you immediate access to many of the items in their collections as well. If you currently have a library card, we hope you’re enjoying all these benefits. If you know of someone who does not have a card but could benefit from it please have them come to the library or call the library at 860-665-8700 and we will be happy to help them get their own card so that they can enjoy all that the library has to offer.

We would also like to thank the many businesses and individuals who donated money, services, refreshments and prizes to two recent, successful library events: Library Summer Reading Programs and the Dining Partner Program.
