Re: Newington Town Center Listening Session

Dear Newington Business/Property Owner,

The Newington Town Plan & Zoning Commission is in the early stages of reviewing the Zoning Regulations that pertain to Newington's Town Center Business District. You are receiving this invitation because your business and/or commercial property is located within the area being evaluated.

The primary goal of this process is to better understand how the business community feels about the Regulations that are currently in place, and what may not be working or conducive to helping businesses thrive. In addition, the Commission would like to hear what future plans and opportunities exist from businesses in this area so any changes made to these Regulations can better align with and be supportive of those efforts.

The Commission will be holding an informal listening session on Wednesday, October 12th at 6:30PM at the Newington Town Hall. If you are unable to attend this meeting but would like to offer feedback to the Commission, please send your comments to the Planning Department at townplanner@newingtonct.gov.

Thank you for your continued investment in Newington! On behalf of the Town Plan & Zoning Commission we hope to speak with you further on October 12th.

Kind Regards,

Mr. Domenic Pane
Chairman,
Planning & Zoning Commission
