# Application Requirements

1. Application for Zoning Review – Fee \$15.00 – Required if changing the footprint or outline of the building, e.g. (building addition, attached garage, porch, attached deck, stairs) or adding a structure to the property, e.g. (detached garage, shed, detached deck, AC unit, generator, in-ground or above-ground pools, free-standing signs, inground or above-ground tanks, gazebo or pergola).
2. Other applicable permits are required to accompany the zoning application depending on the type of work (building, mechanical, pool, sign or tank permit applications).

**Exception:** Only submit a plot plan and zoning application for sheds that are 200 square feet or less and detached decks 200 square feet or less and no more than 30 inches off the ground.

3. 1 copy of official plot plan with changes in ink showing where the structure or add-on is to be placed/positioned or located and its distance to the property lines. Changes need to be initialed and dated (copies are \$1.00).
4. Erosion and Sedimentation Bond Form and a \$500 check – This is required only for inground pools, additions, and any new structures that involve soil disturbance. It is held until completion of the project and returned once the final inspection has been done.

Submit Application for Zoning Review, plot plan, other applications if needed and any supplemental drawings/documents with a check made payable to “Town of Newington” to the following address:
