**SANITARY SEWER IMPROVEMENTS AND  
WATER MAIN INSTALLATION  
Cedar Street Area**

The MDC is planning to construct a sanitary sewer and water main in the area of Cedar Street (Rt 175) and Willard Ave. (Rt 173) in Newington. The project will extend from Veterans Drive to Cedar Street on Willard Avenue and from Mill Brook to Old Farm Drive on Cedar Street.

Please join us for a public information presentation on the project schedule. The meeting format will allow for property owners to meet with the project team members to discuss and address issues or concerns.

We encourage you to attend on **July 17th** and look forward to seeing you there.
