CONSTRUCTION UPDATE

Sanitary Sewer Improvements and Water Main Installation

Cedar Street Area

Starting April 1st, the Metropolitan District (MDC), and their contractor, **Baltazar Contractors**, are scheduled to resume construction activities on Cedar Street. This work will involve individual lane closures during the day.

Starting Sunday evening, April 14th, the Metropolitan District (MDC), and their contractor, **Baltazar Contractors**, are scheduled to perform night work to install the new water main across Willard Avenue at Cedar Street.

During night work, South bound traffic on Willard Avenue will be detoured onto Alumni Drive to Cedar Street. North bound traffic on Willard Avenue and all traffic on Cedar Street will be uninterrupted.

See map on reverse.

Night work hours are generally between 7:00 PM and 5:00 AM, Sunday night through Friday morning. This work is tentatively scheduled to continue on Cedar Street beginning Sunday April 20th heading west from the Willard Avenue intersection. There will be no detours for this continued night work.

Schedules are subject to change based on weather and unforeseen construction related activities.
All MDC staff and contractors must be properly identified and present ID upon request.
