Weekly storytimes are drop-in, with no registration required. All programs are free of charge. Please call the Children's Department at 860-665-8720 with any questions.

Whether your child attends storytime with or without a caregiver, please follow these simple guidelines to ensure a good experience for everyone:

- ◆ Arrive early! We begin each program right on time and you do not want to miss any fun!
- ◆ Visit the restroom before storytime begins.
- ◆ Parents are the most important role models for their children so please sit with your child(ren), listen, and participate in the storytime experience.
- ◆ Please be considerate. Take crying infants and disruptive children out of the story room. And please, turn off your cell phones!
- ◆ Enjoy yourselves. Each program is designed to introduce children to the pleasures of reading!
- ◆ So as not to distract the children or storyteller, please do not wait in the hallway during storytime.
