On 12/13/19, at approximately 8:00 pm, Newington Police responded to the Mortensen Community Center Gymnasium for a larceny complaint. Town of Newington Park and Recreation employees were collecting registration fees for the upcoming high school recreational basketball league in the town hall gymnasium. Approximately 100 teenagers were present during the registration. At some point during the event, an employee left a manila envelope containing cash, checks, and credit card information totaling approximately \$4,000.00 unattended on a table in the gymnasium. When the employee returned to the registration table a short time later, the envelope was gone. After checking with staff members, it was evident the envelope had been stolen. The Newington Police Department is seeking assistance in identifying the person or persons involved in this theft. Anyone with information is encouraged to contact Ofc.
