Information About Our Program

The Newington Parks & Recreation Department's Creative Playtime Preschool Program is a play-based, child-centered preschool designed to be a wonderful and enriching introduction to the classroom environment. Our goal is to create a safe environment in which children engage in activities that are hands-on, open-ended, multisensory, and meaningful. Play is the key that opens the door to creative thinking and learning!

Daily activities include "hands on" play center for fine and gross motor activities such as school skills, paper, crayon and pencil work and play dough play. Multi-sensory art and music experiences, coupled with imaginative dramatic play centers such as dolls, blocks, and puppets creative and imaginative outlets for your child. We provide opportunities for daily living and social skills such as snack time and self-help work that will empower your child to be independent in preparation for kindergarten. Daily outdoor play time combines fine and gross motor skills, healthy habits and basic introductions to nutrition and fitness. This program is licensed through the state of Connecticut, and our staff is fully certified and trained in CPR & First Aid. We have beautiful classroom facilities and a fenced-in outdoor space dedicated solely to the preschool program located at 1075 Main Street in the Lower Level.
