

**THE LUCY ROBBINS WELLES LIBRARY
IS NOT MOVING !!**

(But our address is changing on September 1)

Our brick and mortar (literally) library remains in the same location it's always been—but due to the slight reconfiguration of the streets around the library and the new town hall, we are changing our street address, as well as our mailing address , as of September 1.

Please note that beginning September 1 our new address will be:

100 Garfield Street, Newington, CT 06111
