

Lucy Robbins Welles Library's

**1,000 Books
Before Kindergarten
Program**

Did you know that reading to your child is one of the most powerful ways to boost his or her brain power?

The simple and enjoyable act of sharing books helps your child learn pre-reading skills such as understanding the sounds letters make, developing a bigger vocabulary, and building background knowledge. These are all important skills that help prepare your child for learning to read and entering kindergarten.

The Lucy Robbins Welles Library's 1,000 Books Before Kindergarten program is a fun, exiting, and free way to start your child on the path to learning to reading!

- ♦ **Who can join:** Children ages birth to five years (and not yet in Kindergarten.)
- ♦ **Read with your child:** Every book counts, even if your child wants to hear the same book over and over again, you can count it each time.
- ♦ **Track your reading:** Print out the attached log or get one from the Children's Department at the library. Fill in a circle for each book you read to your child.
- ♦ **Special Rewards:** When you reach the darkened circles - at 250, 500, 750 and 1,000 books - bring your child and the log to the Children's Department to receive the award.

Visit the Lucy Robbins Welles Library Children's Department to check out wonderful books for you and your child to share! Ask our friendly staff for both fiction and non-fiction suggestions - we are excited to help you and your child with the 1,000 Books Before Kindergarten goal!

How Long does it take to reach 1,000 books?

1,000 books may seem like a lot but you will reach the goal before you know it!

- ♦ 1 book per day x 3 years = 1,095 books
- ♦ 10 books per week x 2 years = 1,040 books
- ♦ 3 books per day x 1 year = 1,095 books

Visit LRWL website or call the Children's Department for other exciting programs.
